Please proofread this page and edit this to make it revamped. The specific problems are: the page needs to be restructured and rewritten. Police Role Play Community 125 Accurate from October 12, 2020 Emergency Response: Liberty County is an emergency services role-playing game created by the Police Role Playing Community. The game, taking place in the fictional Liberty County, allows players to role play as a civilian, police officer, sheriff, firefighter, doctor, and worker for the department of transportation. Team Benefits Each team gets their own benefits. Each team gets a mobile phone, which can be used to call any player on the server and emergency services. The civil team has the following items/benefits: Cell Phone Gun (If purchased from the gun store located behind FD) Note: civilians can ATMs and a jewelry store Liberty County Sheriff's Office and River City Police Department get the following benefits: Uniform (Varies between the 2 departments. Since RCPD has a dark blue, while LCSO has tan) Flashlight Mobile Data Tablet (Both LCSO & RCPD have the same features, exceptions are RCFD and DOT) Radar Gun, Riot Shield, Cones, Citation Book, Handcuffs, Taser (Only for officers and above), Stop Sticks (aka Spike Strips) (Corporal and above) The River City Fire Department team gets the following benefits: Uniforms (There are 3 types of uniforms) Mobile Data Tablet (It does not show any warrants or any records, same with DOT), Chainsaw (Currently there is no need for it except role-playing), Firebar, Flashlight, Ladder, Medic Bag (Medical Bag), Cones, Helmet. Note: The firefighter team cannot equip any weapons in the game (the chainsaw does not count as it is a role-playing game). You can't get hurt because you can't equip any weapons. The Department of Transportation Team gets the following benefits - Mobile Data Tablet (Same as RCFD MDT, as it does not include any warrants or search), Cones, Tire Changer, Traffic Sign (Press E to switch page), Flashlight. Note: The Department of Transportation cannot equip any in-game weapons. Team Rangers law enforcement ranks 1st. Cade/Recruit - 0 XP | This is the starting rank of any new player who joins either River City Police or Liberty County Sheriff. 2. Officer/Deputy - 500 XP | The player receives this rank after being given a total of 500 XP, releasing the taser in the law enforcement equipment menu. 3. Corporal - 1,200 XP | The player receives this rank after being given a total of 1,200 XP, unlocking the stop stick in the law enforcement equipment menu. 4. Technician - 2,500 XP | The player receives this rank at the moment. P2000 Pistol Magazine Size: 13 Damage: 10 Four Rate: Semi Price: \$900 MAC-10 Machine Pistol Magazine Size: 30 Damages: 5 Brand Rate: 1200 Price: \$2,450 Nova Shotgun Magazine Size: 8 Damages: 80 Four Rate: Semi Price: \$ P90 Carbine Magazine Size: 40 Injuries: 5 Fire Rate: 1090 Price: \$4,500 4.500 Assault Rifle Magazine Size: 32 Injuries: 7 Fire Rate: 750 Price: \$3,800 M249 Machine Gun (gamepass only; 145 Robux) Magazine Size: 150 Injuries: 8 Four Rate: 705 Price: \$5,200 Prison Is a Feature of Emergency Response: Liberty County That Punishes a Player If They Commit a Crime. There are a number of crimes you can go to jail for listed below. Crimes Murder of an officer, Injury an officer, Murder of a civilian, an ATM, a jewelry store, Breaking traffic rules multiple times (Running Red lights and speeding, caught on cameras.) Run from the police (Start a pursuit with a police officer) Burglary of a house, and Popping Tires. What happens when you are sent to prison by a police officer arrest you, you immediately get teleported into a prison cell with the door locked. Two timers appear in the lower right corner of the screen: One for when your prison door opens, and another for when you're released for your crime. Also a button appears above the prison door hours, says Bail Out. If you click the button, you'll get a message on the screen confirming that you'd like to pay cash in the game to be released immediately. While in prison, you can't buy goods/cash, switch teams, or get regular paychecks. If you want to add insult to injury, if you try to leave prison by resetting or rejoining the game, you'll still be in jail! If you are released or you dirt, you will respawn outside the prison on the civilian alley and everything will return to normal. All guns purchased before going to prison will be taken away when you are released! You will have to rebuy all the guns bought before going to jail! The game menu is the menu that lets you do most of the interactions in Emergency Response: Liberty County. The current features for the game menu are: Changing teams, buying cash, going into the game store and viewing the player list. Change teams in the shift team menu, click a team you'd like to select. If you click on one of the emergency service teams, you will be asked to select a call sign. The call sign can only be digits and can only support 3 to 4. After you select a call sign, the menu closes and you want to respawn as the team you selected. (Note that you can't change teams whenever you want) Buy cash from the cash menu, you can select the amount of cash you want to buy. Here are the cash amounts you can buy at once. \$7,500 cash for 35 Robux \$25,000 cash for 90 Robux \$70,000 cash for 230 Robux \$200,000 cash for 58 0 Robux \$750,000 cash for 1,800 Robux \$2,000,000 cash for 3,500 Robux (best value) When you click on the amount of the cash, you would like, will it bring up standard Roblox buy prompt, and when purchased, it will give you the amount you specified. Hardware Store As of the physical store update. The game store tab is no longer available in the menu. To get your tools and weapons. hiding behind fd station. And tool shop is behind the mall* In the game shop you can buy weapons and RFID RFID which lets you ATMs, and is a one-time use item before it is removed from your backpack. It will also let you refill ammunition for your guns, which will save between servers. Player list In the player list you can see all players' teams, call sign (only if you are an officer yourself) and username. In-game cash allows you to purchase all the items in the game, including vehicles, items and more. The ways to make money are as follows. How to make money Continuing to play the game (in-game paychecks) ATMs jewelry store A player dropping cash (triggered by the player dying) You can also buy cash using the game menu with Robux. ATMs ATMs are another way to get cash in Emergency Response: Liberty County. It's dangerous as you may be arrested for doing so! Be careful after robbery! Here's how to do it For even starting an ATM, you need to buy an RFID Disruptor (which costs \$250 and can be found in the Tools shop). After that, turn to an ATM, and then use it as you normally would. Then click RFID Disruptor in the lower-right corner to insert it. When you click on it, a minigame will start where you have to click at a certain time. You only have 2 strikes before you lose! If you do it enough times, you will be desired and a pop-up displayed, telling you to collect the money. Once done, the GUI will disappear and you will have robbed an ATM. If you lose twice, you will be desired, the GUI will disappear and you will get no cash. Burglary in houses You can now break in and steal money from houses buy buy a lockpick from tools store (at the cost of \$500). To use this entry all you have to do is go up to a house that a player does not currently rent, equip your lockpick and then go through mini-games which involve a fast vertical motion bar that you need to stop close to the center of the screen. As soon as you enter the house the police will be alerted and you will get a wanted level, so be warned. Towing Cars Towing Cars is a feature that comes with DOT team vehicle Flat Bed Tow Truck. How to Tow Cars Drive tow truck to a crashed car, go to the side of the truck and press the Tow Truck Menu. A menu will pop up, to pull the car you want to, lower the flatbed, press tow then press the car you want to pull (Unless of the car is in jail the owner must agree to withdraw) if they The car ends up on your flatbed, press up. The car will be on your flat bed and you will tow the car. You can't tow cars that are on fire. Fires Fires will randomly generate on a building or brush and will have to be put out by firefighters. Fires can also generate if your vehicle's health reaches 0. How to set fires out to extinguish a fire, you must be in the Firefighter team. You will have to drive to the fire using any vehicle. When the fire is called, equip the water hose when holding the water hose, press and aim for the fire, the flame disappears, extinguish all fires to put out the fire. You should also equip all your tools so that you will not be damaged from the fire, you will get 45 XP for this. This.
